- Annually measure its progress in meeting the requirements of the specific LCFF priority
- Report the results as part of a non-consent item at a regularly scheduled public meeting of the local governing board/body in conjunction with the adoption of the LCAP
- Report results to the public through the Dashboard utilizing SBE-adopted self-reflection tools for each local indicator

The Quick Guide identifies the approved standards and self-reflection tools that an LEA will use to report its progress on the local indicators.
