14. CURRICULUM - INSTRUCTION

14.1 SB 114 Reading Screener

In 2023, the California State Legislature passed legislation that directed the State Board of Education to develop a list of approved reading difficulties risk screening instruments. Local Education Agencies were directed to adopt approved reading screeners and begin universal screening of Kindergarten through 2nd grade students starting in the 2025-2026 school year.

GOUSD already has several reading screener assessments in place for TK-2nd students. However, most of our GOUSD screening tools currently being used are not on the California Department of Education's approved list, released in December 2024. Therefore, GOUSD will need to adopt a screening instrument for use starting next year. This agenda item will provide background information and GOUSD action steps to achieve this requirement for the start of the 2025-2026 school year.

Presentation

RECOMMENDATION: This agenda item is for informational purposes only. After collaboration with teachers, staff, and administration, further updates will be provided.
