8. Reports**8.1 Board Members Reports:****8.2 EDCSBA Representative Report:****8.3 Superintendent-Principal's Report:****Discussion:**

Superintendent Horn reported that Red Ribbon week was a big success. The school had wonderful participation in all of our spirit days. On October 25, 2022, Sami's Circuit was on campus, and students TK-6th grade completed

two activity circuits. The students also heard inspiring messages from Sami about the power that they possess to Strive, Achieve, Motivate, and Inspire. The Middle School had its first dance on October 21, 2022. Student Council put on a Fall themed dance outside under the lunch gazebo. The decorations were lovely, the food was yummy and a great time was had by all. On Halloween, we had the traditional Halloween parade and it was wonderful to see all of the students in their costumes. November 1-3, our Dia de Los Muertos Ofrenda was a success and many members of our community participated in honoring those that have gone before. Boys basketball season has started and we have our first home game on today. I had the opportunity to attend the El Dorado School Board information night about the fentanyl crisis and what schools can do to protect their communities. The Principals from the feeder middle schools met with El Dorado High School administration to discuss changes in math requirements and other behavior-related issues. The Principal and Dean of students will be visiting our DELAC meeting in December and February to discuss the high school registration process and help parents with completing the necessary forms. The Community Based Organizations breakfast was November 4th and there were important presentations about local organizations and what they can do to support our school community. Teachers and the intervention team have been working hard to complete the end of trimester assessments. Students have been showing good growth and we look forward to seeing all of the data in the next few weeks. Camino has been hit very hard with a nasty flu virus. Many students and staff are out sick. We have stepped up our classroom and restroom disinfection to try to help eliminate more people from getting sick. Special Shout Out to Laurisa for managing all of the staff absences. She's been creative and constantly flexible in order to support students and sick staff members.
