MISSION STATEMENT

The Mission of the Mother Lode Union School District is the successful education of every student.

TO ACCOMPLISH OUR MISSION

We strive to nurture a partnership with student, staff, parent and the community.

We are committed to meeting the educational needs of each student while providing a safe, respectful, and connected school experience and environment.

We are dedicated to advancing each student's academic achievement while developing a life-long love of learning, building personal responsibility, enhancing the use of problem solving skills, and the ability to learn independently.

We provide all employees with the resources necessary to perform their function, while maintaining a fiscally responsible organization.

We employ competent, committed, and caring staff who believe in respect for others, teamwork, continuous self-improvement, and that all students can learn and be successful.
