6. Business and Information Items

6.1 Action: Consider Adoption of School Accountability Report Cards (SARC) - Pioneer, Walt Tyler & Mountain Creek Middle Schools

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

The purpose of the report card is to provide parents and the community with important information about each public school. A SARC can be an effective way for a school to report on its progress in achieving goals. The public may also use a SARC to evaluate and compare schools on a variety of indicators.

Upon Board approval, the SARC's will be posted on the District's website.

It is recommended that the Board adopts the School Accountability Report Cards (2023-2024) for each school site.
